From Twelve Steps & Twelve Traditions

SIXTH Tradition

Problems of money, property, and authority may easily divert us from our primary spiritual aim. We think, therefore, that any considerable property of genuine use to A.A. should be separately incorporated and managed, thus dividing the material from the spiritual. An A.A. group, as such, should never go into business. Secondary aids to A.A., such as clubs or hospitals which require much property or administration, ought to be incorporated and so set apart that, if necessary, they can be freely discarded by the groups. Hence such facilities ought not to use the A.A. name. Their management should be the sole responsibility of those people who financially support them. For clubs, A.A. managers are usually preferred. But hospitals, as well as other place of recuperation, ought to be well out side A.A.—and medically supervised. While an A.A. group may cooperate with anyone, such cooperation ought never to go so far as affiliation or endorsement, actual or implied. An A.A. group can bind itself to no one.

WHAT DOES CAPE COD INTERGROUP DO?

CCIG serves groups in the general area of Cape Cod and the Islands. It is your group's shared office that is doing what your group is responsible to do but unable to do because of size, cost, and time. There are roughly 205 groups on Cape Cod that share the same responsibilities as yours. The duplication of these efforts would be difficult and extremely costly.

Without an Intergroup, your group would require one of over 200 phone number listings in the Cape Cod phone book for the alcoholic to call. Your group will need to monitor your phone 24/7. Your group would need the daily newspaper to notify others of your AA meeting. Your group would require a purchaser to obtain all necessary supplies and a storage room/shed to hold them (books, pamphlets, anniversary cards, bookie supplies, wallet cards, medallions, archives, etc.) When your group has Anniversary meetings, and Alkathons, these events would have to be advertised elsewhere. How would the flyers that are now inserted in the monthly newsletter, The Sober Times, be distributed?

CCIG provides 24/7 phones to answer questions on meetings and help for the alcoholic who still suffers, over 3,500 last year alone. 12th step members are geographically selected to contact an alcoholic in crisis. CCIG provides a center of information for A.A. groups and the community in general and CCIG provides a book store which offers group's needed supplies. The monthly newsletter is mailed to 250 members of the A.A. community, providing updated information on A.A. activities. The semi-annual published meeting list is a valuable tool for groups and individuals. A website includes up-to-the-minute information on meetings and was visited by over 29,000 members last year.

Most would agree that it is disturbing to imagine the Cape Cod A.A. community without the services provided by CCIG and, just as importantly, the services and support it provides to the still-suffering alcoholic.

"THE PROMISES"

We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word "serenity" and we will know peace.

No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellow. Self-seeking will slip away. Our whole attitude and outlook upon life will change. Fear of people and of economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize that God is doing for us what we could not do for ourselves.
