Chuck has been re-editing the master copy of the meeting lists to reprint with a larger font. We use Minuteman press. We are working on the website font to make it more user friendly for Chuck. Chuck did some research for prices on a new computer for the Intergroup office. Dell Desktop Windows pro can be purchased for \$620.99 with 12 GB Ram or the cheaper version with less RAM, 8GB for \$499.99 Will be put to vote at the next intergroup meeting. This computer will be used up front for the cash register, zoom portal, etc. Mary made a motion for steering committee to approve for higher priced computer. Motion was seconded and passed. We are down to 100 meeting lists available for the groups. Sober times will be going out Thursday. Bill S still volunteering

OLD BUSINESS: Jay F. went CD shopping to check for better rates. We are looking at different terms and options considering the most recent interest rate increase. It was found online that rates are higher now.

NEW BUSINESS: Frank suggested that one of our intergroup reps could attend the Area meeting once a month. Can be a rotating responsibility if needed. Meeting is once a month on 3rd of 4th Wednesday of the month via zoom. Also discussion about changing the answering service message to update the script.
