## Notes from the editor

Hello all,

In a blink of an eye the calendar has flipped and it's now 2024. I hope that you all had a wonderful holiday season and are looking forward to what 2024 has in store for all of us. Intergroup is moving forward on a number of fronts. We should shortly have a brand-new meeting book to put into circulation. It has been totally revamped and we hope that you will find this version easier to read and to carry around. Intergroup has once again updated the website to include the ability to change the language to Spanish, as well as Portuguese, in addition to English. We hope that this will help members of these communities to find help should they need it. We are always looking for new Intergroup reps as well as Steering Committee members. This is a great way to do service work while shaping the direction in which Intergroup moves forward. Lots of exciting things to look forward to. Come be a part of it. May 2024 be your best year ever!!!!

Chuck T.

**Its sole purpose is to act as a clearinghouse for the convenience of members and groups desiring assistance, and to extend the Twelve Step Work of "carrying the message."**

It is suggested the 1st Tradition be read at each meeting in January:

***"Our Common welfare should come first; personal recovery depends on A.A. unity"***

### Would you like to serve your group?

AA gives us many ways to be of service to our fellowship.

One of those is to represent your group as an Intergroup Representative (IGR).

Does your group have an IGR? If not, why not volunteer to represent your group? Volunteer to serve at your next business meeting.

Does your group have a General Service Representative? (GSR)

The GSR is the link between your group and AA as a whole.

**Your Intergroup Office is always looking for volunteers to staff the office during, illness, etc. Please contact the office if interested.**

### Tradition One: Our common welfare should come first; personal recovery depends upon AA unity.

1. Am I in my group a healing, mending, integrating person, or am I divisive? What about gossip and taking other members' inventories?
2. Am I a peacemaker? Or do I, with pious precludes such as "just for the sake of discussion," plunge into argument?
3. Am I gentle with those who rub me the wrong way, or am I abrasive?
4. Do I make competitive AA remarks, such as comparing one group with another or contrasting AA in one place with AA in another?
5. Do I put down some AA activities as if I were superior for not participating in this or that aspect of AA?
6. Am I informed about AA as a whole? Do I support, in every way I can, AA as a whole, or just the parts I understand and approve of?
7. Am I as considerate of AA members as I want them to be of me?
8. Do I spout platitudes about love while indulging in and secretly justifying behavior that bristles with hostility?
9. Do I go to enough AA meetings or read enough AA literature to really keep in touch?
10. Do I share with AA all of me, the bad and the good, accepting as well as giving the help of fellowship?

### Is Cape Cod Intergroup a part of A.A.?

**Cape Cod Intergroup is entirely dependent on the AA groups and individuals for its continuing operation.**

**Your group can participate by selecting an Intergroup Representative to represent your group.**

**IG Reps meet on the 1<sup>st</sup> Tuesday of every month. Any AA member can attend.**

### What is AA's relationship with the community?

Now that our methods and results are better known we are receiving splendid cooperation everywhere from clergymen, doctors, employers, editors – in fact, from whole communities. While there is still a well-understood reluctance on the part of city and private hospitals to admit alcoholic patients, we are pleased to report a great improvement in this direction. But we are still very far, in most places, from having anything like adequate hospital accommodations.

Over and above this traditional activity, we may give some counsel to those who work upon various aspects of the total problem. It may be possible that our experience fits us for a special task. Writing of Alcoholics Anonymous, Dr. Harry Emerson Fosdick once said: "Gothic Cathedral windows are not the sole thing which can be seen from within. Alcoholism is another. All outside views are clouded and unsure." Thus, with our inside view – one best seen by those drinkers who have suffered from alcoholism – we would help those working on alcohol problems who have not had our first hand experience. While we members of Alcoholics Anonymous are not scientists, our special insight may help science; while we are of all religions and sometimes none, we can assist clergymen; although not educators, we shall, perhaps, aid in clearing away unsure views; not penologists, we do help in prison work; not a business or organization, we nevertheless advise employers; not sociologists, we constantly serve families, friends and communities; not prosecutors or judges, we try to promote understanding and justice; emphatically not doctors, we do minister to the sick. Taking no side on controversial questions, we may sometimes mediate fruitless antagonism, which have so often blocked effective cooperation among those who would solve the riddle of the alcoholic.

These are the activities and aspirations of thousands of the members of Alcoholics Anonymous. While our organization as a whole has but one aim – to help the alcoholic who wishes to recover – there are a few of us, indeed, who as individuals do not wish to meet some of the broader responsibilities for which we may be especially fitted.
